## THINKING WOMAN (PAPERBACK)

CASCADE BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What does it mean to be a woman? Do women have a unique nature and a unique vocation? Should feminists work to help women specifically or to support all people? Thinking Woman examines the lives and ideas of women in the history of philosophy who wished to understand and advocate for themselves as women. Some, like Hildegard of Bingen and Edith Stein, found women to be a unique creature designed by God, necessary for good stewardship of creation. Others, such as Mary Wollstonecraft and Sojourner Truth, found women to be identical to men in all but biology and thus identical before the law. Still others, from Simone de Beauvoir to Judith Butler, found the very question troubling as they tried to sort out cultural ideas from biological rules. These women and their views form a canon on the question of women, a canon that can help guide the conversation for thinkers and activists today who want both to understand women and to advocate for justice for all people. In style, form, and content, Thinking Woman is a text that matters. Jennifer Hockenbery Dragseth weaves together history, biography, analysis, and critique to present the impressive range of work by women philosophers on central questions of gender and our common humanity. This work s relevance to contemporary science, health care, religion, and politics is essential, making Dragseth herself a thinking woman to whom we must listen. --Caryn Riswold, Professor of Religion, Gender and Women s Studies, Illinois College A Lutheran philosopher, Jennifer Dragseth uniquely advances the scholarly examination of gender and sexual difference. In search for truth on the complex question of what is a woman, Dragseth invites readers to critically engage major gender theories and...
