

Evolutionary Writings: including the Autobiographies (Paperback)

Filesize: 4.13 MB

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

(Sister Langosh)

EVOLUTIONARY WRITINGS: INCLUDING THE AUTOBIOGRAPHIES (PAPERBACK)**DOWNLOAD**

Oxford University Press, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Man still bears in his bodily frame the indelible stamp of his lowly origin On topics ranging from intelligent design and climate change to the politics of gender and race, the evolutionary writings of Charles Darwin occupy a pivotal position in contemporary public debate. This volume brings together the key chapters of his most important and accessible books, including the *Journal of Researches on the Beagle voyage* (1845), the *Origin of Species* (1871), and the *Descent of Man*, along with the full text of his delightful autobiography. They are accompanied by generous selections of responses from Darwin's nineteenth-century readers from across the world. More than anything, they give a keen sense of the controversial nature of Darwin's ideas, and his position within Victorian debates about man's place in nature. The wide-ranging introduction by James A. Secord, Director of the Darwin Correspondence Project, explores the global impact and origins of Darwin's work and the reasons for its unparalleled significance today. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
