Filesize: 3.84 MB

Reviews

A top quality ebook and the font used was fascinating to read through. It is written in easy terms and not confusing. It has been written in a remarkably easy way in fact it is simply after I finished reading through this publication through which actually altered me, alter the way I believe.

(Roberto Block)

Dog Ear Publishing, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Ne il y a trois quart de siecle j ai vu bien des changements en science et dans les valeurs humaines - la science plus pres de comprendre la Nature, et la societe s en éloignant. J ai accumule quelques diplomes et travaille pour des sous, ici et la. L apport important de ma vie provient de ce que j ai fait sans but lucratif et hors Academie. En 70 j ai decrit en Yoga des Spheres une autre facon de voir le monde materiel. Sans l avoir cherche, cette description livra un support au concept d un autre monde. Ce concept l ont appuye des heures et des mois d experimentation et observations. La theorie des supercordes commença a ebranler la notion de matiere. Dans les 90 j ecris six livres developpant les themes du premier. Ils ont ete tres largement ignores. Pas d probleme. Je commence maintenant une nouvelle vague. Il y a trois mondes: le monde qu on reve, le monde materiel et l autre monde. Chaque nouvelle vague supporte la these premiere avec de nombreuses additions et corrections a mesure des avancees de la science.
