

Year of the Chick (Paperback)

Filesize: 4.76 MB

Reviews

*Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

YEAR OF THE CHICK (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An awkward family homecoming at Christmas. A humiliating public weigh-in, with two judging parents as the audience. The announcement of a deadline for arranged marriage doom. And that s just the first two chapters. In Year of the Chick, Romi Narindra must find love before her parents find her a husband. But this is North America, not Calcutta! Who lets their parents choose their husbands? Easy to say, less easy to live through, as this book takes you deep inside awkward Indian living in the West. To escape imminent doom, Romi wades through the waters of secret-dating, where self-consciousness is at an all-time high, and experience at an all-time low. It s the sort of thing that would turn anyone into a man-crazy freak with romance tunnel-vision, and that s exactly what happens to her. All the while, a lack of inspiration in her corporate job leads Romi to her love of writing, in what quickly becomes a man-quest play-by-play on her blog. From whiskey-breath scum bags to uni-brow creeps and everything in between, Romi and her wingmen come up empty time after time. And that s she meets a fellow writer. On the Internet. So will it be arranged marriage doom, or an Internet affair that s not as creepy as To Catch a Predator ? Time will tell in the year of the chick, a twelve-month quest to find love. Tick-tock. ----- Year of the Chick is a light-hearted tale of fiction, inspired by a blog the author wrote in 2008. This story is book one of a series with book two due out on June 7th! Length: 74,000 words or 288 pages DISCLAIMER: this book contains profanities, blunt accounts of...
