In the Life speaks about how I got into the trap of being in a lesbian lifestyle. I speak of the trials and triumphs in my life which lead to this decision. Homosexuality is very accepted today in this world while; God s word still remains the same today, yesterday, and forever more. I believe that God has layed on my heart for me to help others that struggle in this area. Remember, the enemy comes to dismantle, and disrupt your destiny through your mind and misinformation. Also, our toungue plays a very important role in our life because, we shape our life through our words. Everyone needs help and encouragement along the way to their journey. You life is not in vain! No! You have a purpose! I have been placed on this earth to help others through my experiences. My hope is that someone will press their way to success.
