Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

SAVING ANDI: ST. JOHN SIBLING SERIES, FRIENDS

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.From award-winning author, Barbara Raffin, *SAVING ANDI* is a spin off from the St. John Sibling Series. While the St. John Series has been contemporary romance, *Saving Andi* adds romantic suspense. Watch for more novels identified as St. John Sibling Series: *FRIENDS* as well as the rest of the original series. Cole McCall is shot, dives off a bluff, and hits his head. Now he has amnesia and can't remember who wants him dead or why. He doesn't even know which side of the law he operates on. Fortunately for him, Andi Johanson finds him at the camp he's broken into. Given her family history of being on the wrong side of the law, her distrust of lawmen, and the guilt she carries over her younger brother's death, she takes Cole home rather than to a hospital and nurses him back to health. But their attraction is jeopardized by their pasts, her secrets, and the fact whoever wants Cole dead has tracked him to Andi's cabin. **REVIEW QUOTES:** An addicting combination of romance and suspense that grabbed me from page one - don't miss it! Stacey Joy Netzel, NY Times Bestselling author of the Italy Intrigue Series and Colorado Trust Series. Barbara Raffin does a wonderful job creating believable characters you can't help but care about and root for in an instant. Raffin had me flipping pages hoping Andi would find her happy ever after. By Valerie J. Calrizio, author of the Nick Spinelli Mystery Series **ABOUT THE AUTHOR:** Barbara Raffin grew up a country girl on the Michigan-Wisconsin border, but loves to visit the big city and live the hurried...
