This planet and its unusual inhabitants change Crackstones original mission, as well as the current time line of the universe. The Ambassador comes face to face with the mysterious Time Keepers race; Crackstones civilization is a class three, the Time Keepers are at least a class six. The final installment of the Crackstone Chronicle trilogy answers the question of how an Ambassador from a system in the Andromeda Galaxy relates to two humans, an omniscient, immortal race called the Time Keepers and why scores of alien civilizations become interested in twentieth century Earth. The three novels of the Crackstone Chronicles, Extinction, Connections and Extraordinary Solution carry the reader through time and space, exploring the question: why would extraterrestrials visit Earth, let alone conceal themselves here This item ships from multiple locations.
