Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the story of Todd, an intravenous meth addict that lived in Logan County, Oklahoma in the mid 1990 s. Written in his own words, the story chronicles the intense events surrounding the tragic climax of his life when he was only nineteen years old. It is an edgy tale of crime, friendship, and love. He relays his story with dark humor and unflinching candor. Some of it is to be believed, some of it surely is not. All in all, Todd paints a stirring and brutal picture of poor young people striving to get by in a world where the odds are stacked against them. He even fancies himself to be a bona fide outlaw, a renegade philosopher among a population of sheepish sycophants. However, his care free philosophy is no match for the harder realities that must inevitably accompany this lifestyle. Everything and everyone will collapse around him, even the woman he loves, until Todd must finally face his demons or be consumed by them. Such is the life of a junkie.
