Literally translated as wind-water, feng shui is the ancient Chinese art of working with the natural flow of an environment to create harmony in space. It is also a phenomenon across the United States, rapidly shedding its New Age, incense-and-candles image to become a generally accepted way of designing home and work areas for health, wealth, and prosperity. The Learning Annex Presents Feng Shui packs all the knowledge, tools, and special tips of a Learning Annex seminar into a book with answers to questions like: What is feng shui? What are its basic principles? How can I analyze my home for good chi and correct problem areas? How can I enhance specific life areas?
