FUN AND EASY TO READ, this didactic workbook in easy Spanish is based on THE LITTLE PRINCE by the French author Antoine de Saint Exupéry (1900-1944), translated, edited and simplified to ease reading practice and comprehension using simple wording, brief sentences, moderate vocabulary and entertaining exercises! Especially written in simple, easy Spanish for experienced beginning and low-intermediate students, each chapter is followed by a glossary of Spanish words and expressions and their respective English translations, as well as by fun and simple exercises especially designed to increase the student s reading skills, comprehension and vocabulary based on the understanding that reading is "a complex, active process of constructing meaning" instead of "mere skill application." INCREASE YOUR VOCABULARY AND READING COMPREHENSION The main purpose of the present series of workbooks is to provide simple reading practice and guarantee the development of reading comprehension by offering adequate texts and exercises especially designed to increase the understanding of Spanish as a second language. In accordance with the most recent findings of cognitive psychology and the applied science of learning, we believe that reading comprehension not only implies acquiring a set of...
