

Albina: A Windflower Saga Novella (Paperback)

By Aleksandra Layland

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Albina is set in an epic fantasy world that is entering its industrial age. We meet Albina in Far Haven: A Quest For Certitude. A Fight for Justice. (Part III of the Windflower Saga trilogy). She is the only daughter of Tribune Loris Kennet and Lady Keridwen, the former Duchess of Ansgar. However, we know little about her beyond the details of her birth and that she attends university to study science. This short novella fills in the gap, following her from childhood until she leaves home at sixteen to begin her higher education; and then her adventures, struggles, triumphs, and romances that finally lead to her embarking on her professional goals as well as her young married life. Along the way, Albina's steadfast, intelligent, and sweet nature will help her friends to find their own paths in life, while she experiences a sweet romantic love and comes to grips with her multi-racial, multicultural heritage.
