

Cases in Intelligence Analysis: Structured Analytic Techniques in Action

Filesize: 1.51 MB

Reviews

This publication is wonderful. Better than ever, though I am quite late in starting to read this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be the finest PDF for actually.
(Ms. Sydnee Lesch)

CASES IN INTELLIGENCE ANALYSIS: STRUCTURED ANALYTIC TECHNIQUES IN ACTION

[DOWNLOAD](#)

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Cases in Intelligence Analysis: Structured Analytic Techniques in Action, Sarah Miller Beebe, Randolph H. Pherson, Accomplished instructors and intelligence practitioners Beebe and Pherson have created a set of twelve robust, class-tested cases on events in foreign intelligence, counterintelligence, terrorism, homeland security, law enforcement, and decision-making support. The case studies are designed to give analysts-intraining a hands-on opportunity to apply structured analytic techniques to tackle real-life problems. Each case delivers a compelling narrative and a set of step-by-step instructions that make teaching and learning as effective and efficient as possible. Key features: questions at the start of each case challenge the student to think critically and help the students bring the case into focus; carefully crafted narratives provide the right amount of detail to give a realistic sense of the complexity and challenges of the case; recommended readings at the end of each narrative allow room for further research; sections entitled "Structured Analytic Techniques in Action" frame the analytic tasks and provide step-by-step instructions for applying three to five analytic techniques in a series of exercises for each case study; two hundred photos, maps, figures, tables, boxes, and technique templates support analysis and instruction; and a matrix of the cases and techniques used in each cases augment the annotated table of contents and provide students and instructors an all-in-one view of the contents. To make the teaching of the cases as turn-key as possible, Beebe and Pherson have created a case-by-case guide, "Cases in Intelligence Analysis: Instructor's Materials", that is free to all users as a downloadable PDF. "Instructor's Materials" includes solutions to all of the exercises, teaching tips, conclusions for each of the cases, and key takeaways that can be used to guide classroom discussion. Graphics from the case book and...
