Brand New Book ***** Print on Demand *****.Synopsis: Apostolic and Prophetic promotes a vision of the church as apostolic, ecumenical, and radical. It explores the meaning of each of these ecclesial marks and their intrinsic connections. The volume thus draws a wide span between the apostolic past (tradition) and a radical perspective on the present and future ecumenical church. The book considers the concept of apostolicity emerging in patristic theology, and it examines this concept as it has been developed in some select Lutheran, Roman Catholic, and Anglican ecumenical documents. Unresolved ecumenical questions concerning ecumenical method and church ministry are frankly discussed, including critical observations on ecumenical praxis. The modern notion of churches as denominations is examined in detail, especially in the Lutheran context. The author also offers a critical assessment of an important ecumenical event, the annual Week of Prayer for Christian Unity. The notion of a radical church--aware of its roots and prophetically committed to faith in the kingdom of God seeking freedom and justice--is explored through an extensive analysis and discussion of the work of Dorothee Solle and Terry Eagleton, two seminal thinkers of our time. Endorsements: Gesa Thiessen discusses a broad range of current ecumenical issues in a manner that is both theoretically lucid and practically helpful. Her experience as bridge-builder between Lutherans and Roman Catholics as well as between German and English-speaking theological traditions allows her to grapple with many contemporary problems in a creative and forward-looking fashion. Not only academic theologians, but also ecumenically minded laypeople will benefit from Thiessen's sincere and participatory way of engaging challenging topics. -Risto Saarinen University of Helsinki This book will challenge, inform, and delight all who are passionate about the...
