The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 10 books include characters that express emotions and stories with more events. Non-fiction titles introduce terms that might be new to many children. Level 10 books continue to use single spacing and more high-frequency words appear without vowel markings to help the students get used to the traditional norms of printed Arabic. From the pyramids in Egypt to the Sydney Opera House, landmarks have been built all over the world. Find out what makes them so special. Packed with statistics and interesting facts, illustrated with stunning photographs, this information book will be enjoyed by boys and girls alike. A map of the world on pages 22 and 23 shows the location of all the landmarks.
