Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The American consul in the small but highly important city of Semlin, in Hungary, was a busy man. He was probably one of the first men in the world who knew how great was the danger of war between Austria-Hungary and the little kingdom of Serbia after the assassination of the heir to the Austrian throne in the summer of 1914. Now, since the Austrian ultimatum to Serbia had aroused all Europe to the peril, refugees had doubled the consul's work.
