POEMS ON MISCELLANEOUS SUBJECTS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Poems on Miscellaneous Subjects Of the colored population of the United States, three millions are doomed to the horrible condition of chattel slavery. That condition is the annihilation of manhood, the extinction of genius, the burial of mind. In it, therefore, there can be no progress on the part of its victims; what they are capable of being and doing can be only a matter of supposition. It is unlawful to teach them the alphabet they not only have no literature, but they know not the meaning of the word; for them there is no hope, and therefore no incentive to a higher development; in one word, they are property to be owned, not persons to be protected. There are half a million free colored persons in our country. These are not admitted to equal rights and privileges with the whites. As a body, their means of education are extremely limited; they are oppressed on every hand; they are confined to the performance of the most menial acts; consequently, it is not surprising that their intellectual, moral and social advancement is not more rapid. Nay, it is surprising, in view of the injustice meted out to them, that they have done so well. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
