THE CRY OF THE HALIDON

Bantam Doubleday Dell Publishing Group Inc, United States, 1996. Paperback. Book Condition: New. Reprint. 175 x 127 mm. Language: English . Brand New Book. Alex McAuliff has received an offer he can't refuse: two million dollars for a geological survey of Jamaica's dark interior. All Dunstone, Limited, requires is his time, his expertise, and his absolute secrecy. No one--not even McAuliff's handpicked team--can know of Dunstone's involvement. But British Intelligence is aware of the deal and they've let Alex in on a secret of their own: the last survey team Dunstone dispatched to Jamaica vanished without a trace. Now it's too late to turn back. Alex already knows about Dunstone, which means he knows too much. From the moment he lands in Jamaica, Alex is a marked man. But who wants him dead? Dunstone? A rival company? Or British Intelligence? Here in an island paradise where even a beautiful woman might be a spy, every move could be his last, and his only clue to survival is a single mysterious word: Halidon. First published under the pseudonym Jonathan Ryder, *The Cry of the Halidon* is vintage entertainment from suspense master Robert Ludlum. If a Pulitzer Prize were awarded for escapist fiction, Robert Ludlum undoubtedly would have won it. Ten times over. --Mobile Register.
