Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sir Henry James Sumner Maine (15 August 1822 - 3 February 1888), was a British comparative jurist and historian. He is famous for the thesis outlined in his book Ancient Law that law and society developed from status to contract. According to the thesis, in the ancient world individuals were tightly bound by status to traditional groups, while in the modern one, in which individuals are viewed as autonomous agents, they are free to make contracts and form associations with whomever they choose. Because of this thesis, Maine can be seen as one of the forefathers of modern legal anthropology, legal history and sociology of law. Maine was the son of Dr. James Maine, of Kelso, Roxburghshire. He was educated at Christ s Hospital, where a boarding house was named after him in 1902. From there he went up to Pembroke College, Cambridge, in 1840.
