

## Dementia: The Monster Within (Paperback)

Filesize: 6.89 MB

### **Reviews**

*An extremely wonderful book with perfect and lucid information. This can be for all those who stutte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.*

*(Kaelyn Reichel)*

Laurus Books, United Kingdom, 2010. Paperback. Condition: New. Grace Metzger Forrest (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Offering Understanding and Encouragement for Caregivers. Most families have skeletons in the closet. For my wife s family, there was a Monster, a type of dementia that robs loving, intelligent individuals of everything--their dignity, their personality, their memory, their finances, and their minds. The skeletons are the remains of loved ones after the Monster has finished with them. The family members who are not devoured by this beast are, even so, crippled and maimed by its effects on their loved ones. Little did I know when Evelyn and I married in 1970 that this Jabberwock would come a calling on us. My wife at age 60 is now vastly gone, with no memory of her children, or me, or our life together. To our -horror, one of our children has tested positive for the autosomal dominant (inherited) gene that is the pathway for the dementia Monster s entrance. We pray for a cure. Dementia: The Monster Within is not an extensive explanation of dementia, although we show some of the science involved to help give understanding. It is first and foremost the story of our family, along with the stories of a few others who have met the Monster. Our experiences may be helpful in recognizing the initial assault. This book also provides a framework of essential steps necessary to prepare both caregiver and loved one for their futures. Most importantly, if you have been affected by this Monster, you should understand that you are not alone in your struggle. There is an enormous responsibility in giving balance when sharing hope of curing these diseases. It would be unconscionable to offer false hope. Yet, there is every reason...
