

## Master Multi-Digit Multiplication Workbook

Filesize: 3.68 MB

### **Reviews**

*Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).*

*(Prof. Jean Dare)*

**MASTER MULTI-DIGIT MULTIPLICATION WORKBOOK**

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. Workbook. 254 x 201 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This math workbook from the Dr. Pi Squared Math Workbooks series focuses on multi-digit multiplication. There is ample workspace for students to write large answers and still fit their solutions comfortably into the space provided. The problems appear in a large font size, since students usually write larger than standard textbook fonts. High-quality, durable, bright paper is used (instead of standard workbook paper, which often tears easily and appears dull in color). Each section begins with a large, fully-solved example to illustrate the technique and to serve as a useful guide. Answers are nicely organized by page number in the back of the book to allow students, parents, or teachers to quickly check the answers. An aesthetic, full-color multiplication table is conveniently located on the back cover for easy reference. CONTENTS: (1) Two Digits Times One Digit, (2) Three Digits Times One Digit, (3) Four Digits Times One Digit, (4) Two Digits Times Two Digits, (5) Three Digits Times Two Digits, (6) Four Digits Times Two Digits, (7) Three Digits Times Three Digits.
