Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We are trained by society to think that we are alone and separated from others as well as the universe - so that we can be controlled, but also so we can be sold things that we must buy to make us part of the crowd. All of this is false, at a very basic level! We are spiritual beings both in God and infused with that essence. This is a magical, magnificent and evolving universe and we are an important part of it. We were made in the image of God - we are spiritual beings having a human body and play a significant role in how the universe evolves. Once we understand that, we will not be controllable. Those in power or with money, believe that they must control others if they are to feel safe. They live in Fear of losing their power and money, because they have not learned to control themselves. To have us better understand who we are and why we are here, this book presents a summary of our latest understanding of how the universe works and how we matter. As opposed to the traditional understanding of Science, which was partly founded on unproven assumptions that not always true, this universe is not what we see, hear, feel, touch or otherwise sense. Although we have five conscious senses, we can also think, have feelings, change the universe slightly to suit our needs upon request, and otherwise communicate with the universe in a direct, but not-just-five-sense or multisensory way. The universe stores all of history, including every thought that we dwell upon, plus every action we have taken and all events that have ever occurred. We...
