SOCIAL WORK (PAPERBACK)

Troy Book Makers, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As a public relations veteran working on behalf of boys in foster care, Kit Ramsey understands that the success of a nonprofit organization depends just as much on retaining the support of Wall Street wonders as it does on good social work. This fast-paced social humor novel offers a unique viewpoint and some unexpected revelations about the social not-so-niceties that occur between the wealthy Manhattan society patrons and the social workers to whom they condescend. Kit finds her time divided between stroking the egos of her entitled Board of Directors and courting the jaded New York City media. She juggles motherhood, solid friendships with women, and workplace politics. She copes with tragedy, becomes wiser about romance, and does some successful matchmaking. This is an adult coming-of-age story, as Kit grows increasingly comfortable with who she is and where she s headed.
