HarperCollins Publishers Inc, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. A fun and erudite celebration of procrastination An entertaining, fact-filled defense of the nearly universal tendency to procrastinate, drawing on the stories of history's greatest delayers, and on the work of psychologists, philosophers, and behavioral economists to explain why we put off what we're supposed to be doing and why we shouldn't feel so bad about it. Like so many of us,...
