## REMEMBER THE 70S (PAPERBACK)

To download **Remember the 70s (Paperback)** eBook, you should click the button beneath and save the document or gain access to additional information which might be highly relevant to REMEMBER THE 70S (PAPERBACK) ebook.

Pen Sword Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. When you think about the 1970s, what comes to mind? Flares? Queen? Rocky? The 1970s was one of the most exciting, innovative and colourful decades of recent history. With major events in music, film and television, the introduction of new technology, and the rising tide of socio-political change, the decade played a key role in British social history. This decade saw many memorable occasions: Kenny Dalglish became the most expensive footballer after a 440,000 transfer fee, Freddie Laker launched his budget Skytrain airline, Clive Sinclair launched the two inch television, the late 1970s saw the election of the country's first female prime minister, Margaret Thatcher, and during 1977, the country became enthralled by the Queen's Silver Jubilee - street parties were held up and down the land. Remember the 70s explores this chaotic and pivotal by-gone era, and by doing so, the author uncovers hidden truths, gives insight into the dazzling array of inventions and the presence of popular culture, as well as remarking upon how these events, and how the decade as a whole, resonated until this very day.
