Riveting from beginning to end, make sure you set aside a weekend once you start reading. Eric Richard Dallaire, author. Troy Evans is just a normal guy, living a normal life - except for one thing - he can leave and return to his body whenever he wants to. His whole life, Troy has kept the secret to himself, until one day, during an out-of-body experience, he discovers a plot by high-ranking government officials who are planning an attack on America, under the guise of terrorism. Troy tries to expose them, but is branded insane and locked up. With the clock ticking away toward the apocalypse, Troy must find a way to escape and find help - that is, if anyone will believe him before it is too late.
