Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Allen Trials: Namely, Allen Versus Hunter; Warner Versus Griffen; Jobson Versus Allen; And Jobson Against Sickles (Impending,); With Instructions, and the Various Scientific Recipes, (European and American,) for Making Continuous Gum, What are known by the term allen trials, it may be explained for the benefit of the public and general reader, are a series of actions arising out Of a claim by one Dr. John allen, formerly a Dentist at Cincinnati, but now practising in New York, for infringement Of an alleged Patent of his for making Artificial Teeth, by means Of a Continuous Gum, as he calls it, but Of which it is denied that he is the inventor. The first of these trials came off in May, 1855, against one Dr. Wm. M. Hunter, at Cincinnati, when and where, after a most fair and impartial trial Of upwards of ten days duration before judge maclean, and a most intelligent Jury, the plaintiff (allen) was defeated, having had an unanimous verdict brought in against him in less than twenty minutes. On application for a new trial, he was equally unsuccessful, and condemned to pay the entire costs; the defendant (hunter) meanwhile seizing and retaining the alleged Patent by way of security. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
