Paperback. Condition: New. THE ALIENS ARE AMONG US! THEY WISH TO COMMUNICATE! AND HAVE EVEN CONSTRUCTED CITIES IN REMOTE PLACES WHILE THEY ARE HERE! The story of UMMO starts with a series of letters and phone calls to various Spanish UFO researchers in 1965 that purportedly came from an extraterrestrial race. While the most commonly reported method of ET contact is clearly by telepathy, the aliens in this case tried a more direct, decidedly earthly method of communication. The letters contained highly detailed discourses on such weighty topics as physics and medicine that could only have been written by experts on the cutting edge in those rarified fields that are light years beyond what a lay hoaxer could have come up with. One of the letters also predicted that a UFO sighting would occur on a certain day at a certain location in Spain, and the ship did indeed appear on schedule and at the appointed place. It was a rare event in the annals of Ufology, a supposed alien prediction that actually came true. The race behind the letters and activity claimed to have come from a planet named UMMO, saying that they had arrived on Earth in 1950 and had been biding their time before contacting trustworthy Earthlings. They had come in response to a weak signal inadvertently sent out into space by a Norwegian ship conducting ionospheric research in 1934. It was later verified that both the ship and its experiments were indeed real-world events. The first landing took place near the Basses-Alps in France. The aliens from UMMO also claimed to have built an underground base in France as well, and later to have established other strongholds, including isolated small cities, much like the aliens in the new science fiction hit District Nine. The story kicks...
