## THE EXCEPTION: A STORY OF LOVE, SURVIVAL, AND ULTIMATE VICTORY (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Sometimes you have to die to learn to live. It has been nineteen years since I was involved in an all-but-fatal race car accident. Despite serious head trauma, awful odds, and nearly two years in rehab, I not only recovered, but continue to learn and thrive. I have come to realize there is a reason this accident happened to me. I also know that I have been given the determination to overcome the mental and physical obstacles to achieve something great. I am a former race car driver, a licensed private pilot, a seasoned marathoner, ultra-marathoner, and triathlete. I have traveled around the world several times. I ve been married and divorced three times, and I have three amazing children. I ve lived a very interesting, if turbulent, life and I ve seen and done many remarkable things in my fifty plus years on the planet. If you or someone you care about has experienced a brain injury, I hope THE EXCEPTION will provide some helpful information and/or inspiration. I share the highlights, as well as the low points of my journey. I believe that knowing the good and the bad are crucial to understand where I came from, who I am, and why I, somehow, truly am The Exception.
