WINGING IT: ORACLE TEAM USA S INCREDIBLE COMEBACK TO DEFEND THE AMERICA S CUP (PAPERBACK)

DOWNLOAD

International Marine Publishing Co, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. The design and tactical battles that led to the most exciting America s Cup in history are laid out in meticulous detail in Winging It: Oracle Team USA s Incredible Comeback to Defend The America s Cup. Written by three veteran sailing journalists, Winging It provides an insider s look at the professional sailing business and the America s Cup, from how the 72-foot cats became the boat of choice - one early requirement: They had to be able to be disassembled and transported in standard shipping containers - to the design modifications Oracle made in the later stages of the series to bounce back from an 8:1 deficit and retain the Cup (not much besides some minor tinkering with the rudder). -Forbes Whether you are a casual fan or a die-hard America s Cup follower, you re likely to enjoy Winging It. The three authors-all accredited journalists who spent many, many hours in the America s Cup Media Center-will take you from the origins of the America s Cup in 1851 all the way through Oracle Team USA s incredible comeback in San Francisco in September 2013. Winging It holds a place on my bookshelf that is within easy reach. It has become the go-to book on the 34th America s Cup as a means of quickly checking a fact, or time sequence or some aspect of the Cup that has become a little fuzzy even after this short passage of time. It should have a place in everyone s laptop kitbag, either as a quick read in a spare moment, or as a serious reference. A miracle on the water Millions of sailing enthusiasts and casual fans alike watched the America s...
