

Forbidden Heat (Paperback)

By Opal Carew

Griffin Publishing, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. At a friend's wedding, Danielle finds herself face-to-face with Jake and Trey, the two men she's had a harmless, hopeless infatuation with forever. Two men it's impossible to be with because they're in love with each other. At least, they were in college. But during the reception Danielle learns that not only are they single. They're also bisexual, opening up the possibility of living out her most sinful fantasy - sleeping with them both. But when fantasy becomes reality, things become more complicated than Danielle ever imagined. Despite their break-up, Trey and Jake are clearly still in love with each other. The trouble is, now she's falling for them too.
