By -

Taylor Francis Inc, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.Get the tools to help the grief that comes when a dream dies Every person at one time or another suffers when his or her dreams are shattered. Creative Interventions in Grief and Loss Therapy: When the Music Stops, a Dream Dies provides truly innovative approaches to therapeutically help individuals work through and survive grief and loss. Leading experts explore creative interventions for common, yet emotionally devastating problems faced by those weathering the storms of grief after their dream has been destroyed. Therapists and counselors get the effective tools to creatively help people through the difficulties of dealing with death, addiction, trauma, changes in life circumstances, divorce, heartbreak, miscarriage, co-occurring mental health and substance use disorder (COD), suicide, adoption, and issues with children. The chapters in this innovative volume cite existing research on specific grief and loss issues and illustrate a clinical application for each situation using various creative mediums such as music, writing, or ritual. Each approach can be expanded and modified with care by clinicians of all types to better help clients through the process. This resource is...
