

Book of Truth: The Theory of Everything

By Paul Zecos

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The BOOK OF TRUTH describes the current motives of power, money and entertainment by which the vast majority of human activities have been and are motivated and offers an alternative. The book defines of the meanings of Love, of Right and of Truth, provides evidence validating those definitions and offers a realistic social alternative by which these values can be actually lived. The BOOK OF TRUTH also integrates all 4 known forces of the Universe and all 4 proven with high degree of accuracy and accepted (for their range of application) theories of physics, i.e. General Relativity, Quantum Theory, Symmetry and the Theory of Chaos, into a single cohesive, integrated Theory of Everything (TOE) and provides a new equation that describes the relationship among the 4 known forces of the Universe and proves the TOE. The Theory of Everything is based on the space dimensionality of each of the 4 known Universal forces and is explained in simple common sense language. The Theory of Everything is then shown to usefully apply to psychology, business and economics. It s...
