At a time when biblical illiteracy plagues many modern churches and more and more people are looking for answers, this valuable resource is made available to aid and equip every sincere seeker of truth. It has been said that education is essential to evangelism. Why? Because a lost and dying world is looking for answers. This study will equip you with the knowledge needed to not only help you grow in your own walk with God, but will also equip you to provide answers for others seeking truth as well. Avoiding the natural tendency to be dogmatic on debatable non-essentials, this study has been written with balance respecting a broad denominational range. Following scriptural principles, the author takes a firm stance on the essential doctrines pertaining to the nature of God and salvation, while respectfully presenting non-essentials in a balanced manner that leaves the reader to come to their own conclusions. So whether you are a seeker of biblical truth, a new believer, or even a seasoned Christian, this study has something for you.
