The Gratitude Book Project: The Best of Pets Most people think of their pets as members of the family. And why not? Furry, feathered, hooved or scaled-nothing compares to the unique relationships people have with their beloved pets. Pet lovers from around the world come together in this anthology of animal appreciation. From dogs, cats, horses, goats, bunnies and pigs-to birds, hamsters and llamas too-these creatures are full-fledged family members to many people. Our pets reduce stress, lower blood pressure, stimulate empathy and awareness, encourage social interactions, fight depression and loneliness, increase exercise, foster trust, improve relationships between humans, protect our loved ones and property and provide a variety of valuable services and constant entertainment. In short, our pets are capable of enhancing, extending, and, in some cases, even saving our lives. But ask any pet lover and you ll hear that it s the unreserved affection and unconditional love received from pets that keeps them coming back for more! Celebrate with us and The Best of Pets - a book every pet lover will enjoy and appreciate! The Best of Pets is part of The Gratitude Book Project series.
