THE WAY OF MAGIC (PAPERBACK)

Skylight Press, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The multiple strands which make up the Western Mystery Tradition can present a bewildering tangle of paths for the seeker to negotiate - and this book provides the roadmap by exploring them with clarity and insight. Gordon Strong, who has written various books on the Arthurian legends, Tarot, the goddess and sacred stone circles, is uniquely placed to offer this journeyman's guide to magic. Meditation and contacts, Tarot, Qabalah, shamanism and polarity magic are covered, as are the British and Egyptian mysteries. The Way of Magic explores the path of ancient secrets as well as more modern adaptations of them, winding through the enigmatic codices of Egypt and the early shamen through to the modern use of Qabalah and practical magic today. Strong follows an established path with the fervour of a pioneer, making new connections and bringing fresh insights to age-old teachings. He contends that wisdom does not automatically follow in the wake of a great deal of information, no matter how comprehensive and proceeds to offer a practitioner's manual for ritual magic that emphasises commitment and self-discipline. This book will be an invaluable guide to any student of the mysteries looking to find some clarity in making their way forward. It will also appeal to those interested in the history of various mystery schools and their impact upon philosophical thought.
