Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Beith David Publications, Israel, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Through the eyes of Goliath's shield bearer, himself a disenfranchised, cynical Israelite working for the other side, the reader is taken on an odyssey that spans nearly a hundred years and the cultural divide of the Biblical and pagan worlds. Foundation Stone, the first book in the Shepherd King series, begins from the seemingly small divergent steps of two twin sisters, Ruth and Orpah, both recently widowed to brothers the fate of the world is cast. One chooses the pagan cults and pageantry of the Philistines, while the other casts her lot with the tribal inheritance of Israel. It is their descendants, Dawid and Goliath, who clash on the battlefield in the Valley of Elah. Two very different ways of life, clashing regularly, each claiming the same land as their own. It is an ageless tale of hope, courage and conviction whose echo resonates in the world today.
