Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Read, Laugh and Learn Discover the incredible power of natural healing and the gifts of hope, faith and love through one man s journey through the impossible. After having complications from routine surgery, the doctors within mainstream medicine told Joe Stoeckel that what he was experiencing was physically impossible. As such, he was discharged without a diagnosis and unable to function beyond life s basic necessities. Venturing into the world of alternative care, highly skilled doctors and practitioners were placed in his path that embraced the impossible and gave him the gift a hope. The hope that provided the faith and love to persevere down the path of recovery, no matter how strange the stops along the way. No Time To Cry is a narrative of that journey through the impossible. It is a story of the human body s incredible ability to heal, faith in the Almighty, His innate intelligence and the relentless determination to never give up. Eloquent, touching, honest and potentially life changing. It will open the minds of those fortunate enough to read it.
