SOUL MATES: HOW TO FIND AND KEEP TRUE LOVE (PAPERBACK)

Geromar D.O.O., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Iris Gattegno Tarbuk, a well-known spiritual medium, a soul reader, a person who can see deeper and farther, who is close to the otherworld, shows in this book that the ideal of genuine, true love can be achieved by everybody. For the first time in the book form, Iris shares her unique insights into love: how to achieve, recognize, enjoy and how to keep it. Iris speaks about the spiritual nature of love between a man and a woman. The love which only a medium can see both in the known and the other world, in the eternal journey of searching for and finding soul mates. To the unloved, lonely, left, and to those deprived of their loved partner by death, Iris gives instructions, prayers and meditations how to cleanse their hearts and find their true love, how to remain in the relationship. To the couples who love each other, she gives advice how to cherish and nourish their love, how to keep their relationship happy. Speaking about love, Iris primarily discriminates between true love and love delusions. True love joins soul mates and brings them life happiness, while love delusions result in misery, sadness, distress, disappointed people, destroyed families and unhappy children. When she talks about adultery and forgiveness, about marriage triangles and other temptations in love, she overcomes moralizing, politicizing and debating resulting from different perspectives. This book primarily...
