Commonwealth Education Publications, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Job Search Organizer offers a managed approach to job placement, providing a format for counselor-client interaction, skill identification, and job-search strategies designed to gain a high level of client participation during a job search and achieve positive results in job placement. The Organizer takes counselors and their clients step-by-step through a skill identification process and a comprehensive job search, including an original design for networking in the hidden job market where 40 to 75 of the jobs in a community, and most of the better jobs, can be found. The Organizer helps manage the everyday job search, providing space for making assignments, taking notes, and keeping track of information and important employer contacts. Counselors and their client will find this Organizer easy to follow with information and helpful hints from experts in the job-search field.
