

## First Polish Words (Paperback)

Filesize: 6.76 MB

### **Reviews**

*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Cassandra Von)*

## FIRST POLISH WORDS (PAPERBACK)

To get **First Polish Words (Paperback)** eBook, make sure you access the web link beneath and save the document or gain access to other information which are relevant to FIRST POLISH WORDS (PAPERBACK) book.

Oxford University Press, United Kingdom, 2009. Paperback. Condition: New. David Melling (illustrator). Bilingual. Language: English, Polish . Brand New Book. Whether your child is learning English or Polish, Oxford First Polish Words gives your child a head start in learning another language by taking a picture-book journey through a day, with familiar settings, everyday things, and cute little dinosaurs. There is a bird's eye view of getting ready for school in the morning, the journey to school, inside the classroom, a birthday party, and even a trip to the seaside. As a first picture word book, this is perfect for children and their language teacher, or native speaker, to share together picking out the familiar items, playing the matching game, recognizing numbers, shapes and time words. It is ideal for supporting the language skills children are learning in school, language clubs, and for those learning English as a 2nd language. Over 400 Polish words and their English translations are given next to their illustrations, on every page. There is also an expertly-levelled supplementary section at the back - a picture/word matching game, counting the ladybirds up to twenty, shapes, opposites, weather, time, and a comprehensive index. The David Melling (The Kiss that Missed, Fidget and Quilly) illustrations make this an adorable first bilingual word book.
