An incredible true story of one womans nightmarish experience with work place sexual harassment at the highest levels of academia, this memoir relives the horrors as they actually occurred. The author gives an audaciously honest, bold, brave, and transparent account of the unbelievable events that she experienced with sexual harassment while acknowledging responsibility for decisions she made throughout her life that laid the foundations of her feelings of low self-worth and that ultimately made her vulnerable to the horror in which she endured. It then gives credit to the stones on which she stood to reach her goals and stand up against a modern day Goliath. A single mother of three by the age of thirty, Carmen Johnson was on track to fulfill the stereotypes of a single black mother living in the Deep South. But, there were several things that kept her from ending up on the welfare system in Magnolia, GA. her desire to provide financially and be a good role model for her three young sons and, a deep internal desire to prove her self worth. After beating the odds by completing her Bachelors...
