Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Mrs. Bridgette Rau MD)

ARGOSY VOLUME 1 FANTASTIC FRONTIERS

DOWNLOAD

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 176 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. Argosy is a revival of the classic pulp format for the digital age, publishing low-cost, quality pulp fiction in ebook format. Volume 1 contains fantastic yarns from the frontiers of humanity, whether that be the old American West, the colonies of Mars, Saturn's asteroids or worlds beyond our solar system. Within this volume: *The Martian Falcon* by Andrew J Lucas A noir tale set on a Martian colony, inspired by the pulp classic *The Maltese Falcon*. *Marshal Jones Hunt* by James Hoffmeister A space western on a terraformed planet about a gun-run gone terribly wrong. *Parsec Hiccup* by Lancer Kind A western style tale about a meteoroid mining camp that's the site of a love triangle that turns into a musical battle. *Summers in the Snow* by Clay Sheldon A space western on a maglev. To say any more would give away the twist. *Kila S Tidwell (2204-2287)* by Shombuddha Majumdar A space western styled as an obituary detailing the truth behind one of the future's most important industrialists. *Falling* by William Meikle A weird western about Civil War scouts transported to a strange and terrifying place. *Last Stand of the Calaveras Kid* by Cynthia Ward A weird western where ancient magic causes two timelines to intertwine. *Valley of the Lost* by Robert E. Howard This volume's republication, a seminal weird western by the brilliant Robert E. Howard. Artwork by Tais Teng. This item ships from La Vergne, TN. Paperback.
