Brand New Book ***** Print on Demand *****.The Adventures of Kyle Roberts. The Gatekeeper Kyle, a 40 something English photographer based in modern day New York, yet this a far cry from what he once was. A soldier that cut his teeth of the front line of many a war. Not only in combat, but also to capture those all-important pictures for reconnaissance missions in faraway lands. Now years later he has turned his skills into one of discovery. Armed only with a camera and his creative eye for detail Kyle finds the beauty from destruction. He now uses these skills to capture those glossy front cover shots that spawn across our news outlets for all to see. However the world is changing fast as something unexplained is reshaping all around us. The events of everyday life appear to be out of context. A shift in the fabric of time has upset the balance on earth and the universe as we know it. Times colliding together. Our past, present and future now all sharing the same space. Yet the population seem to be adapting without the knowledge of these ever changing events. As styles from years gone by blend into the future, new skyscrapers cast shadows over historical builds that were once lost to time, yet they now stand in place as though nothing has changed. Indirectly Kyle discovers something that leads him on a quest for answers. An image of a beautiful woman hides within the pixels of many of his prints. Her image is faint yet it almost emits a strong presence that propels him forward into a new mission of discovery. Adventure begins as Kyle travels the continents seeking...
