Createspace, United States, 2015. Paperback. Book Condition: New. 250 x 176 mm. Language: English . Brand New Book ***** Print on Demand *****.True Crime Box Set Vol. 1-4 Discover some of the most shocking crimes committed by the very people the victims loved and trusted. Dads Who Kill What would drive a father to murder his own children? The idea of anyone killing a child, especially a parent, is incomprehensible. Still, it happens and when it does the country goes into shock. Dads are meant to give their life for their children, not selfishly take the lives of their children. Moms Who Kill Mothers are supposed to be protective and shield their children from danger and destruction. Every child expects their mom to be there for them and instinctively trusts them. They would never expect their own mother of being able to commit such crimes, but they do. Why Do They Commit These Acts Of Maternal Filicide The motives behind such crimes aren't always straightforward. Mental health issues are often at play, although sometimes jealousy, anger, and even embarrassment can come into play. In many cases, the father, someone who has traditionally been supposed to take care of the family and provide for them, feels a sense of failure and kills his children (and often his wife) to save them. Parents Who Kill It's unimaginable to think a parent, someone who is by nature supposed to protect their children, making the choice to kill them. Unfortunately, filicide (the deliberate act of killing your own child) is not as uncommon as many may think. The accounts of these horrific true crimes have been condensed inside to simply inform and to spark your curiosity. Why Do They Commit These Acts Of Filicide? There are many reasons why a parent might kill their own child, from mental...
