PEER TUTORING AT WORK

Peer Tutoring at Work
Children with Mental Retardation teaching Number
Skills to their peers

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Children with Mental Retardation teaching Number Skills to their peers | Peer-Tutoring is a well established cost effective method of teaching, but most of such studies used non-disabled children as tutor, tutees may be either non-disabled or disabled children. Present book is based on an experimental study in which children with mental retardation taught number skills to their retarded juniors. Students with mental retardation attending pre-vocational class served as tutors and tutees...
