Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Online dating is not all fun and games and there are a lot of things that a person has to know about online dating before one gets into the intricacies of it. Online dating may seem to be the simplest thing in the world but it is not. It should be viewed in all earnestness or things could go haywire. Every game has its rules and unless you know all the rules, you just can t become a good player and eventually a winner. We, human beings, have been in this world for thousands of years. And since the beginning, people have been choosing their life partners. Cultures across the world are very different and we can come across so many different ways in which people choose their life mates. But the concept of finding a life partner with the help of the Internet is a fairly recent concept when compared with the history of mankind as such. Of course, the Internet and computers have influenced man s life so much that it is no surprise that in the matters of finding a suitable partner too, the Internet has made its presence felt. Online dating is, to put it very simply or flatly, finding a partner with the help of a machine namely the computer via the Internet. That, itself, makes the idea and the process a very novel one indeed, Hundreds of happy people across the globe have been successful in finding suitable partners by the means of online dating. But to be frank with you, a lot of not-so-lucky persons have been goofed and jilted by the same process. So in order to make sure that you...
