

In the Becoming: Selected and New Poems

By Tom Pow

Birlinn General, United Kingdom, 2009. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book. Since the publication of his first collection, *Rough Seas*, in 1987, Tom Pow has been recognised as one of Scotland's foremost contemporary poets; lyrical, celebratory and sensitive to the world around him. *In The Becoming, New and Selected Poems* draws on Pow's work over the last two decades, from *Rough Seas* (1987) to his latest book, *Dear Alice - Narratives of Madness* (2008), including poems from *Sparks!*, his poetic correspondence with Diana Hendry, and *Transfusion*, his praise poem for Muhammad Ali and Nelson Mandela. The collection charts his ongoing poetical concerns: an exploration of landscape from the rainforest to the Arctic; an interest in how history and narrative shape our understanding of the present; and, in the new poems, a maturing engagement with those large themes that lie at the heart of Pow's poetry, namely love and death. *In The Becoming* offers a timely reading of one of the finest poets of his generation.
