AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are Christians who struggle with sins and issues in their lives even though they attend church regularly and feel they have a close relationship with God. The essence of what Jesus has done for people to be free from sin has not become a reality in the lives of many Christians. The bible says in Colossians 1:13 that God through Jesus Christ has delivered us from darkness and we are now in the kingdom of God. This means that we are new creatures in Christ and our old sin nature is dead. Spirit-filled Christian may attend church every Sunday and appear to have it all together on the outside but, on the inside, struggle with sins that block their spiritual growth. Teresia Dupins shares in this book how strongholds prevent many Christians from enjoying the freedom God predestined for them to have after being born again. This book, inspired by God, helps Christians identify their strongholds and learn how to conquer them by using godly principles, real life scenarios and biblical examples. This book equips Christians with knowledge and wisdom to make God their only stronghold.
