Plain View Press, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A butterfly-this butterfly, Evelyn, has moved out of the painful cocoon of abuse to fly! Her memoir is a powerful testament to courage under fire. What a testament of grace and guts! Evelyn s evolution into consciousness from victim to survivor to pastor is a witness to all who choose to walk away from abuse in any form. From naive college student courted by a seemingly eligible male classmate to grown woman and mother of three groveling for survival in the mire of a farm yard, Dahlke walks the reader through the vivid details, sometimes horrific, of her tortuous journey to a place of hope. Using metaphor she holds the reader in the darkness of the chrysalis until the reader squirms impatiently for her to spread her wings and fly away. I would recommend this book to anyone who truly wants to understand the seeming conundrum of how battered women become helpless, how they lose themselves and take on the reality of their abusers. In this deeply personal and moving book Evelyn Dahlke has woven her current thoughts, her journal entries from years ago, her own poetry and the poetry of others into a seamless tapestry of pain and growth. Janice Winchester Nadeau, Ph.D., Psychologist, Marriage and Family Therapist and Nurse, specializing in work with abuse and incest victims. Evelyn s book has shone a...
