## Looseleaf for the Art of Watching Films

By Dennis W Petrie, Joe Boggs

McGraw-Hill Education, 2016. Loose-leaf. Condition: New. 8th ed.. Language: English . Brand New Book. With an emphasis on the narrative film, The Art of Watching Films challenges students to take their film experience further by sharpening their powers of observation, developing the skills and habits of perceptive watching, and discovering complex aspects of film art that they might otherwise overlook. The Art of Watching Films introduces the formal elements and production process of films, and helps students analytically view and understand films within their historical, cultural and social contexts. The text presents an analytical framework that can be applied to all movies, as distinctly different as Avatar, The Girl with the Dragon Tattoo, Vertigo, Iron-Man, Man on Wire, and The Hurt Locker. Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect(R) is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: - SmartBook(R) - an adaptive digital version of the course textbook that...

### Reviews

*This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
